

These windows four arrayed in line
Give views galore come rain or shine
A home, a church, an ivory tower,
A proud pavilion full of power.
A daisy chain, materteral Bob,
A complex pattern, just the job!
The water's wide, the desert's drier,
On Scotswood Road the spire's higher.
You're bound to get a big surprise
Underneath a bridge of size,
And goblin buskers peep behind
Mimetophonic Window blinds.
